

## “Malice in the Palace”

A musical for St. Peter's Youth  
Directed by June Hale and Marion Belson

**June 8<sup>th</sup> Casting**

**July 8-12 Camp**

**July 13 & 14 Performances**

Parents of children 1<sup>st</sup> grade to 8<sup>th</sup> attending St. Peter's Episcopal Church. It is time to sign up for St. Peter's 2024 “Choir Camp”. Play practice in the mornings – bring your lunch – then fun activities in the afternoon.

(Friends not attending St. Peter's are also invited to participate in the camp.)

**Older former-Choristers are invited to come and help with the play.**

*Parents will need to sign up to help chaperone the afternoon activities.*

### ***Top Ten Reasons to Enroll Your Child For the St. Peter's Choir Camp:***

1. It will be the most memorable event of the summer for you and your child.
2. It will teach your child to sing, speak in public, love being in a play, enjoy the company of others, to bloom on stage in a well-organized production.
3. It will help your child learn to interact successfully and respectfully with other children and adults.
4. You will see your child lead the audience to laugh, cry, and appreciate a classic age-old Bible story.
5. Your child will learn the joyful lessons of demonstrating courage, humor, love, and strength, which are part of this story of “Malice in the Palace.”
6. Your child will enjoy various fun activities with other children in a fully supervised environment in which caring for one another is taught hourly, daily, in a loving atmosphere.
7. Your child will emerge from the week having thoroughly memorized a story told in song and prose, which has all of the elements of a masterpiece of literature and music.
8. Your child will be taught by two experienced public school music teachers and church musicians who have years of experience training children to sing, harmonize, read music, love pretend/acting, move effectively on stage, and deliver their lines with confidence and joy.
9. Every rehearsal begins with a short devotional and centering time to connect meaningfully.
10. Your child will experience a feeling of belonging to something truly magical at a level that can be understood and internalized by all.
